AGREEMENT

We herein make application to ECOLUBE RECOVERY, LLC ("ELR") for credit and/or to update and reconfirm our existing account and balance with ELR. Applicant and/or client agree to provide ELR with a current financial statement if requested. If credit is granted, we promise to pay all invoices within 15 days of invoice date. Customer agrees to pay interest on past due balances at the rate of 1.5% per month (or the maximum allowed by law, whichever is less) in addition to all costs and expenses (including reasonable attorneys' fees and court costs) incurred by ELR in collecting the overdue amount. If there is a good faith dispute related to any portion of an invoice, Customer agrees to pay the undisputed portion of the amount owed. Accounts with past due balances will be placed on "COD" or "credit - hold status" until payment for past due amount is received. ELR also reserves the right to offset such amount against any amount that ELR may owe to Customer. Should credit privileges be denied, you may have the right to know why. Prospective customer understands that all billing, accounts receivables and credit functions of this firm are processed through headquarters in Bellevue, King County, WA. Consequently, it is understood and specifically agreed that in case of suit or action, it shall take place in Bellevue, King County, WA at the option of ELR. Customer specifically understands that they are waiving their right to litigate outside of Bellevue, King County, WA. Applicants give their permission to ELR and/or its agents to verify and/or supplement the information stated herein. By submitting this application, you authorize EcoLube Recovery LLC to make inquiries into the banking and business trade references that you have supplied on this form
